

# The poker night checklist

Before · During · After

---

## Before (the week of)

---

- Confirm players + start time

---

- Set buy-in and format (cash / tournament)

---

- Pick blind structure

---

- Chip distribution worked out ([pokerpall.com/chip-calculator](http://pokerpall.com/chip-calculator))

---

- Rebuy rules agreed in the group chat

---

- Snacks / drinks assigned

---

- Table + enough chairs

---

- Two decks, cut card

---

## During

---

- Chips banked as people buy in

---

- Blind timer running

---

- Every rebuy recorded when it happens

---

- Late joiners: stack + missed-blind rule agreed

---

## After

---

- Final stacks counted per player

---

- Nets checked - must sum to zero

---

- Settlement worked out (who pays who)

---

- Results shared to the group chat

---

- Float / bank squared away

---
